# OUR DRAWERS

## GLASS DRAWERS

Clear visibility meets refined detail. These drawers combine transparency and structure, allowing you to showcase your essentials with elegance. Built with tempered glass and framed in matching wood or metal, they offer both strength and style. Ideal for both display and daily use.

## ALLUMINIUM *blum*

All our kitchens come with premium drawer systems equipped with soft-close technology by Blum. Choose between aluminum sides or full-glass panels for a clean, modern look. Built for daily use – smooth, quiet, and made to last.

## WOOD

Our wood or MDF drawers offer a clean and consistent look with solid structural integrity. Made from high-density fiberboard and finished with durable coatings, they are resistant to warping and ideal for daily kitchen use. A smart, cost-efficient choice that balances function, form, and price.

## HIDDEN DRAWER

A drawer within a drawer, seamlessly integrated behind a single front. Ideal for organizing cutlery, tools, or small items without compromising the clean look of your kitchen. Designed for practicality and discretion, with soft-close technology and premium runners.

# KITCHEN DESIGNS

Our collection includes a curated range of kitchen fronts – from smooth matte finishes to classic wood grains. Each design is selected for lasting beauty, durability, and a luxury aesthetic. A kitchen for every budget.

## OUR PARTNER IN DIFFERENT KITCHEN MOVEMENTS

# NEW DESIGNS

The begins where sound fades. A space not made to impress, but to breathe. Inspired by quiet architecture and clean transitions, the kitchen becomes a place of calm movement and rhythm.

# NEW DESIGNS

---

Before we draw, we touch. Everything starts with the texture of wood, the weight of stone, the softness of light. This collection was built from real elements.

# NEW DESIGNS

This is where tradition meets control. The inspiration comes from old-world forms, but refined through a modern lens. Strong structure, warm tones, and a sense of heritage.

# NEW DESIGNS

THESE KITCHENS ARE MADE TO HOLD DAILY RITUALS, QUIET MORNINGS, LONG EVENINGS, AND EVERYTHING IN BETWEEN. THE DESIGN FOLLOWS LIFE, NOT THE OTHER WAY AROUND.

# NEW DESIGNS

ALL KITCHENS ARE BUILT USING MATERIALS SOURCED DIRECTLY FROM EUROPE. WE WORK WITH SELECTED PARTNERS IN ITALY, GERMANY, AUSTRIA AND SPAIN TO ENSURE CONSISTENT QUALITY. FROM CABINET BOARDS AND METALWORK TO INTERNAL SYSTEMS. EVERY COMPONENT MEETS THE STANDARDS OF EUROPEAN QUALITY. THIS IS NOT ONLY A MATTER OF QUALITY, BUT OF TRUST.
